WE EXIST

TO INNOVATE

With improved designs and new products that help our customers do their job better, faster and more reliably.

TO CREATE

Better value for money whilst maintaining compliance with regulations.

TO DELIVER

Quickly due to having a complete range stocked across a number of warehouse locations. Our aim is not only to have products readily available to supply, but to support all of our customer enquiries with the best trained technical advisors in the category.

START BY CALLING OUR W.I.S.E. ADVICE CENTRE.

Helps you specify **Made to Order Products**

Use the sheets over page covering our made to order products.

- Clarifies what questions need to be asked when ordering
- Ensures the product is 'what you want' by defining dimensions, top holes, configurations and accessories
- Makes the ordering process simple and transparent
- Avoids ambiguity
- Sets out lead times
- Makes quoting to your requirements more accurate and faster to determine
- Ensures customer satisfaction through clear communication of all relevant details

STAINLESS STEEL EVOLUTIONS
Innovate · Create · Deliver

RESEARCH

3monkeeZ has been a leader in the stainless steel industry for over 30 years. Our commitment to innovation and quality has made us a trusted partner for our customers.

PRODUCTS

3monkeeZ offers a wide range of stainless steel products, including sheet metal, pipe, and tubing. Our products are made from high-quality stainless steel and are designed to meet the needs of our customers.

APPLICATIONS

3monkeeZ products are used in a variety of applications, including food processing, pharmaceuticals, and chemical processing. Our products are designed to be durable and resistant to corrosion.
