simply  
the best  
service

Simply Stainless strives for quality, availability and value. To assist with your bar design, all drawings can be downloaded from our product catalogue at [www.simplystainless.com](http://www.simplystainless.com). We also offer a free bar design service, a free online design tool as well as a 3D product viewer - please get in touch with us for more details at [info@simplystainless.com](mailto:info@simplystainless.com). Full range is wholly manufactured out of an ISO9001 accredited factory that manufactures exclusively for Simply Stainless.

simply

the highest  
quality

How do you recognise quality in a modular  
benching system?

- The “stability test” and the “knock test”
- Close tolerance CNC engineering and machinery
- Highest quality TIG welding and professional finish
- Fully-welded sinks with uniformity of gauge thickness throughout and stainless steel reinforcing channel to worktop

Our confidence in Simply Stainless  
quality is backed by our  
Lifetime Warranty.  
See website for details.
