## HAND SANITISER + PROTECTOR

Forcefield Hand Sanitiser + Protector is a state-of-the-art Nano-technology sanitiser, that physically controls (not poisons), germs, bacteria and fungi. The active ingredients within Forcefield binds to any surface creating a nano-film with thousands of spikes that penetrates the cell wall of the organism, offering up to 24 hours protection even up to 10 hand washes.

### FEATURES

- Non-toxic
- Alcohol free
- Keeps hands hydrated
- Non-flammable
- Environmentally friendly
- Safe for all ages
- Physically controls 99.99% of germs and mould
- Over 200 applications per 45ml bottle
- Costs 2 cents AUD per person per day for 24-hour protection.
